Children's Liturgy of the Word Message—We are need of adult and high-school-aged volunteers to assist with our Children's Liturgy of the Word ministry. This ministry is offered during the school year during the Sunday 9 a.m. Mass. It is available to children ages 4 – 2nd grade. The children are invited after opening prayer to join the weekly teacher and helper to the church basement where the children learn about the readings and gospel in ways they can understand. The children pray, share, listen, sing, and color in activity books. The children return to the Mass prior to the Liturgy of the Eucharist. Volunteers are needed to teach the lessons and assist with supervision of the children. This is a great opportunity for high school students in need of service hours, or simply those eager to help our youngsters learn the Word. Preparation for the lesson requires no more than a few moments perusing the teacher's guide and weekly activity book. We are in dire need of more volunteers to continue this wonderful ministry. To get involved, please contain megan.scheiderer@huschblackwell.com. All adult volunteers must complete Protecting God's Children.

The fifth annual report from the OCYP was included in the October 7 edition of *The Catholic Key* and has been added as a resource under the **Safe Environment** tab on the Diocesan website.
