

St. Peter's Messenger—January 9, 2017

We hope that everyone had a blessed Christmas and Happy New Year—we are very grateful for your kindness and generosity. The many cards, pictures, notes, baked goods and treats, Christmas gifts, including the Big Give collected by our PTA, mean so very much to us, and we thank you!

As we indicated in an e-blast last week, **second-quarter report cards have been posted in My Students Progress**. Please login to MSP, if you have not already done so, to review your child/ren's progress. To view the report card, you must click on "Modules" in the upper left-hand corner of your screen, and then "Report Cards."

We are pleased to announce that **Mrs. Carly Hovious will be joining our faculty this Friday, January 13, as our new PE teacher**. She is a graduate of the University of Michigan with a degree in Health and Physical Education, and she and her husband, a med student at KU, moved to KC last July. Mr. Travis Grosdidier and Mrs. Hovious have met and worked together on her transition to St. Peter's. Just as we know you wish "Coach G" well as he begins his new position at Bishop Miege High School, we know you will also welcome Mrs. Hovious to our St. Peter's community!

Student Council members will sell "Upon This Rock" wristbands, for \$1, through tomorrow, Tuesday, January 10. They sell the wristbands before school, during lunches, and after dismissal.

Tomorrow, Tuesday, January 10, is a PTA Dining Night Out event at the Chick-Fil-A on State Line, from 5-9 pm.

As you know, this school year, St. Peter's moved from the model of Principal and Assistant Principal to that of shared leadership as a collaborative administrative team, Principal and Co-Principal. **By clicking on the link below, you will access a survey that our Diocese has asked you to complete—the survey must be completed by January 15**. As you complete this survey, please consider that you are evaluating both administrators, Mary Omecene and Angie Meyer as an administrative team. We are grateful for your time, and input and feedback that will help us improve and work to best meet the needs of our students and community.

We received a lovely thank you from the FIRE Foundation, and we would like to share part of the message with you: "Thank you for the enormous show of support for FIRE during St. Peter's annual FIRE Week. \$2760.80...such a spirit of generosity prevails in the hearts of St. Peter's students (parents) and faculty. It's such a pleasure to partner with St. Peter's. We're profoundly grateful for our enduring relationship! God Bless you all!"
