

Matching Gift Information

According to information found online and in our parish files, the following employers offer matching gift programs for either money or volunteer hours donated to a charitable organization, or *both*.

If your company has programs like this, it means your employer values your commitment to charitable organizations. So we encourage you to take advantage of these generous programs.

It's important to know if your employer's program will match donations to a religious organization (our parish) or an educational institution (our school), or gifts to social services (our pantry). So you may need to do some research on your employer's particular program.

Contact Karen Conley in the parish office for more info. She can provide information about our school's accreditation and our parish's tax-exempt information. (816.363.7051, #127; or kconley@stpeterskc.org)
