

St. Peter's Parish Endowment Trust Fund for Catholic Education

Strong Support for Excellent Education

St. Peter's Parish created an endowment fund within the larger Endowment Trust Fund for Catholic Education ("ETFCE") in November of 1990. Intended for the long-term support of our school and other Catholic education initiatives here at our parish, our St. Peter's ETFCE has been generating income over many years.

You may support our fund with a special gift, a pledge, or a planned gift. Whether you make provision in your estate plan, name the endowment as a beneficiary of an insurance policy or retirement asset, donate appreciated stocks, or write a check, this is a great way to be sure your tax-deductible gift continues to support Catholic education at St. Peter's for decades to come.

ETFCE Board of Trustees

The ETFCE's Board of Trustees is a group of individuals with experience in business, investments, law, education, religious ministry and fund development.

The Endowment Trust Fund for Catholic Education (ETFCE) supports Catholic education by encouraging the creation of endowments and overseeing the investment of endowment funds. Endowment funds preserve principal in perpetuity and use investment income to support Catholic schools, parish schools of religion and adult faith formation.

Per the 1990 establishing documents for our parish fund, St. Peter's ETFCE has a three-person board, including our pastor, which oversees the distribution of the income we receive from our invested funds.
