

Challenge 350  
Letter from Father Steve Cook

January 25, 2017

St. Peter's Parishioners and School Families

Please help us achieve our fundraising goal. With your pledge to our *Upon this Rock* capital campaign you can **double the impact** of your gift.

Over the last five months, St. Peter's has been engaged in the largest capital campaign in our history. Just over half our parishioners have pledged \$5.3 million to our campaign. This is a tremendous achievement. Reaching our \$6.2 million goal will enable us to fully fund the renovation of our north school building and will put us in a financial position to create a multi-purpose space between the church and school.

Last week, we secured two *challenge gifts*, totaling \$350,000. Our goal is to respond to this challenge with \$350,000 in new pledges. Please help us take advantage of this exceptional opportunity.

I am reaching out to every parishioner family and school family that has not yet made a pledge to the campaign. It is always true that every pledge makes a difference. That is especially true right now. **I ask you to make a three-year pledge to the campaign.** Please prayerfully consider a gift that is truly meaningful to you and your family.

Your participation is critical. With your pledge you join other parishioners, school families, faculty, staff, alumni and foundations who have stepped forward to support our campaign. Our goal can be reached only with broad community support.

A pledge card and return envelope are enclosed. There is full campaign information on our website.

Please make your pledge TODAY.

God bless,

Reverend Stephen M. Cook
