

St. Peter's Parish Tithe

2017 – 2018 Financial Stewardship Renewal

Thank you for your continued commitment to St. Peter's Parish.

Every year we experience increases in basic expenses, especially utilities, salaries, and benefits. Salaries and benefits alone make up **68%** of our parish budget this fiscal year. We ask that you prayerfully consider a pledge of 6% of your annual after-tax income, or perhaps an increase of 5% over last year.
