

Required for Enrollment

Early Childhood Learning Center /Pre-Kindergarten

Students must be three (3) years of age and fully toilet trained.

Kindergarten

A child entering kindergarten must be five (5) years of age by July 31. Parents must furnish the school with copies of the child's birth certificate, baptismal record (if any), and immunization documentation. Prior to admission, kindergarten students must take part in a kindergarten screening and will be invited to attend a spring "sneak peek" of kindergarten.

Transfer Students

For those students transferring into St. Peter's, immunization information, sacramental records, and transcripts from former school(s) must be furnished; in addition, an interview must be scheduled with a school administrator and parish priest (if there is intent to join parish). The administrator will place new students in classes according to their level of achievement. Acceptance will be determined by the results of tests, prior academic records, teachers' observations, and parental input. All transferring students must have a satisfactory disciplinary record from their prior school(s).

Admission Priorities

Families of existing ECLC and Kindergarten-8 students will receive early enrollment materials in the fall and will be given first priority if registration materials are returned by the specified deadline. After that date, new students will be accepted in the following order: 1. Siblings of students already enrolled, provided family is current with their pledge/tuition. 2. Children of active parishioners. 3. Children of families outside St. Peter's Parish.

To be considered an active member of St. Peter's Parish, the following conditions must be met: 1. Registration in the parish. 2. Regular participation in weekend Liturgy. 3. Active involvement in some form of parish ministry or service area. 4. A pledge card indicating financial support is on file and current pledge is being honored. Families who enroll as parishioners are expected to have established a minimum one year history of active membership.

Financial Obligations

St. Peter's School is a ministry of St. Peter's Parish. For members of St. Peter's Parish, the stewardship model we follow means that active members of St. Peter's who support the parish and its ministries with their gifts of time, talent, and treasure have access to all ministries provided by the parish, including St. Peter's School, grades K-8. Parishioners are asked to prayerfully consider a tithe of 5% of their household income. Parents who are not parishioners may apply to send their children to St. Peter's School on a tuition-paying basis. This would include non-Catholics and Catholic members of another parish. Students attend the Early Childhood Learning Center on a tuition basis only.

Fees for ECLC, parish families with a current pledge on file, and tuition families, cover all incidental fees, textbooks, technology, and PTA dues. Fees and tuition are subject to annual adjustment. Please contact St. Peter's School Office, (816) 523-4899, for the current fee schedule.
